8) Mrs relates to the petition of one M Yagaswamy Chettiar and others owners of properties located near the Hotels Talkies, Nyanza praying for the cancellation of sales formed out of the properties acquired from them in connection with the formation of a Square in front of the Hotels Talkies at the place

9) The report of the chairman, C I T Board, Nyanza on the above representation is submitted for perusal It is seen that 16 persons owners of shops & dwelling houses - are affected & 23 properties are involved in this connection The cost of acquisition is reported to be Rs 36,750/- The owners except two whose cases have been referred to the decision of the court, have, it is learnt, accepted the award and received the money made in this respect and

10) It is learnt that the sale

of eight sites formed there as was conducted in accordance with the rules approved by the govt and it has fetched a sum of Rs 43,350/- as against the estimated cost of the scheme amounting to Rs 40,750/-

11) In addition to the compensation some of the owners of the houses have been permitted to take the materials of the houses demolished, free of cost- as a Concession.

12) It is also reported that shops being built and rented out by the Trust Board in future as far as possible proposals will be put up for to avoid such conflict itself the chairman is of opinion that there are no grounds to cancel the sale already held and to depart from the principle adopted for the disposing of sites, as already approved by the govt

13) In this connection, it is submitted that there are numerous petitions protesting against the acquisition of houses and properties by the Trust-Board of Myre for improvement purposes in various parts of the City. In most of the cases the petitioners urge that the area acquired from them may not be allowed to be auctioned by the Trust-Board and that the sites to be formed thereon may be re-allotted to the owners themselves ~~in such cases~~

1) whether the auction

---

We the undersigned applicants whose interests having been deforced, beg to submit this appeal before your Honour, for an equitable and kind orders protecting our interests at least to some extent/to heal our losses.

1 That the authorities of the Trust Board, acquired our houses and shops located in the most vivacious and commercial locality, near Mothilal Talkies Old Ashabar, Mysore, on some bona fide and public requirement for improvement, and we were forced to concede to the same, on the explicit belief that the same must have been required for the improvement of the City. We were all paid a very nominal AWARD

2 But contrary to the above intentions, the authorities converted ther to actual sites, and auctioned same to public, thus realizing a huge, and abnormal profits of uncomparable, and most abnormal profits, that any other trade could actually result with We request you to pardon us for eliciting facts and truth in this instance, because we were deforced of our properties and paid nominal awards, while the same was auctioned and huge arounts collected

3 Before putting ther for auction, on 2nd 8 1947, we made a petition to the Municipal Councillors and the Chairman, to at least give each of us one site for constructing our shops, as we are put to ruch trouble for want of shops to continue with our trade of for living maintenance of our families But, our application was shelved and the auction was allowed to take place on 2 11 1947

4 Under the above circumstances, as we have failed to secure Justice, we pray that your Honour may be pleased to interven into

into the matter, and our most disappointed case, and be pleased to SET ASIDE THE AUCTION SALE and to hear our grievances, by getting the concerned records and on the merits of our hurble representations We solicit justice to be made prominent and dominate - and our grievances are redressed

From,
Yajaman Chikkadasappa,
Door No 2901, Chamundi extension,
MYSORE

Respected Sir,

I respectfully beg to submit this my application for continuation of my previous ores, and emphatically pray that I may kindly be granted with justice at least now

1 That my valuable properties house and maliges bearing No 2088, No 2088/1 and No 2089, located opposite to Motilal Talkies, old Agrahar - Mysore (in a very correrial centre) were acquired by the Trust Board

2 The then Chairman, was pleased to give assurance to me that I would be given a shop site for construction of my shop and to carry on with my only dependable trade in the same locality With this assurance and belief, I conceded to the acquisition of my valuable properties without any protest, and even accepted the award granted to me, although evidently such an award was and is not in conformity with the valuation of the acquired properties of mine

3 The then Chairman, according to his assurances to others - whose properties had been acquired has given shop sites to the following persons as detailed hereunder-

Lessrs

i)	Doddayallappa	2 Shop sites @ Rs 2/- per Sq Yd
ii)	Basavarajappa	1 do site @ Rs 2/- do do
iii)	Gowder Siddappa & Sons	2 shop sites @ Rs 2/8/- per Sq Yd
iv)	Dasappanavara Thammiah	2 shop sites @ Rs 2/- per Sqr Yd

Besides, shop sites have been given to 19 persons - each at one shop site, at Santhepet, whose properties were acquired by Trust Board While so, it is very unfortunate that my case is thwarted and my business is allowed to extinct for want of a shop I am apparently suffering very much, since my properties are acquired, and I am deprived of a shop site to construct a shop and carry on

P T O

on with my only trade of maintenance of my family.

4) I beg to submit that despite my petitions to grant me a shop site, the said sites have been auctioned on 2 11.1947, which has further multiplied my troubles

5) Under the above circumstances, and as shop sites have been granted to several owners, whose houses have been acquired and thus enabling them to continue with their business, I pray that your Honour may be pleased to cancel the auction sale, and to grant me ALSO ONE SHOP SITE IN THE VICINITY OPPOSITE TO MOTHILAL TALKIES WHERE MY PROPERTIES SO ACQUIRED SITUATED, and thus help me to construct a shop and continue to carry on with my business I shall of course construct the shop according to the approved plan.

I feel confident that equity and justice needs your kind and prompt attention and orders being kindly issued to grant me a site for the construction of a shop as prayed for by me in this and previous applications

Ever I feel grateful and with respects, solicit favour of kind orders.

Sub - Petition of Yajaman Chikkadasappa & others protesting auction of sites in front of Motilal Talkies, Old Agrahar, Mysore.

With reference to your letter No L 12406 dated the 10th January 1948 calling for a report on the above petition, I have the honour to state that the sites in question were acquired for forming a Square in front of the Motilal Talkies, Old Agrahar, Mysore This was a very congested locality and badly required being opened out 23 properties belonging to 16 persons consisting of shops and dwelling houses were acquired at a cost of Rs 36,750/- The allegation made in para 1 of the petition that a nominal award was passed is not correct A fair price was awarded, the owners accepted the compensation in most cases and compensation has been taken There are only 2 exceptions viz, Messrs T Thammiah and C Honnappa who own three properties and those cases are pending before the Court for enhancement of compensation

After using a portion of the acquired area for forming a square and foot-paths the remaining extent has been marked out into 8 shops sites and disposed of by public auction in accordance with the instructions conveyed in Government Order No L 15423-5/Ml 135-46-4 dated the 3rd May 1947

In para 2 of the petition, it is alleged that huge profits were made by the sale of these sites This is absolutely incorrect As already stated, the expenditure on the square is as follows -

1	Cost of acquisition	Rs 36,750/-
2	Cost of layout	4,000/-
	Total	Rs 40,750/-

The sale actually held on 2-11-1947 has fetched a sum of Rs 43,350/-, It is very clear that there has been no abnormal margin between the total cost of acquisition and layout and the amount realised in the sale and since two cases are before the Court for enhancement of compensation, it is likely that the whole scheme may even end in a net

P T O

10 12

loss It is therefore, quite wrong to imagine that the Board has been profiteering in this matter

On the other hand, in addition to the compensation a great concession has been shown to the dis-housed persons who are permitted by the Board to take the materials free of cost except in a few stray cases

As regards para 3, a petition has no doubt been given but it did not appear necessary to change the mode of disposal already fixed by Government In the first place it would be very inconvenient principle to recognise if we were to permit owners of properties acquired to have an interest in the subsequent disposal of the sites Their claim on the area expires with the passing of the award Once we agree that the purpose for which the properties are acquired is a public one, the parties could have no further interest in the matter

In the second place as against 16 persons whose properties were acquired only 8 sites were formed It would therefore be not possible to accommodate all the dis-housed persons and any discrimination made with regard to selection of persons would certainly be resented greatly

Lastly, Government has prescribed a mode of disposal of these sites viz , by public auction and there were no grounds to depart from this principle

It is no doubt true that it causes a certain amount of heart-burn to the parties whose properties have been acquired to see their areas handed over to others after sale I am therefore as far as possible putting up proposals for building shops or houses through the agency of the Trust Board itself and then renting them out This would not only enable the Board to get a steady income but prevent the kind of agitation which we are now having not only about the area near the Motilal Talkies but also in connection with the Straight Road Scheme and with the Dhanvantri Road Scheme

I hope to intimate to Government early the views of the Board in the matter The petitions received with Nos L 10824 dated 10-11-1947
